

**The Ministry of St. John  
Wait List Application**

This application is to be accompanied by a \$45 non-refundable application fee (applies to registration fee at the time of enrollment). Children are placed on the wait list once the application and the application fee have been submitted to the CDC office. The \$45 application fee carries over year-to-year if St. John Child Development Center is unable to enroll your child because of space limitations. Full registration packets will be emailed in February to all remaining wait list families for the opportunity to register for the next program year (June-May).

Child's name: \_\_\_\_\_

Parent's name: \_\_\_\_\_
