

Dear Prospective Family,

The enrollment process for the 2023-24 school year has started! It is our privilege to be in partnership with parents as we bring up the next generation to know and serve their Savior Jesus Christ.

We do have limited availability in our Lutheran Day School. Enclosed with this letter is everything you need to enroll your child for the 2023-24 school year.

Once the required items (see list in the box to the right) are submitted to the School Office, we will set up a time for you to meet with me. You will receive a letter in the mail once your child is enrolled in our Lutheran Day School for the 2023-24 school year.

God's blessings as you prayerfully consider sending your child to our school. We thank God for the opportunity to serve His children and share the love of Christ every day! Please contact the School Office if you have any questions about our ministry.

God's richest blessings to you and your family!
